

ASSEMBLY INSTRUCTIONS CORONA 4 DRAWER DRESSING TABLE

IMPORTANT: READ THESE INSTRUCTIONS CAREFULLY BEFORE ATTEMPTING TO ASSEMBLE OR USE YOUR CORONA 4 DRAWER DRESSING TABLE

PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE

ASSEMBLY INSTRUCTIONS:

Please check contents and read instructions carefully before commencing assembly To avoid damages assemble the item on a soft, clean surface

HEALTH & SAFETY:

DO NOT use this dressing table if any parts are missing, damaged or worn

DO NOT use this dressing table unless all fixings are secured

Always use on a level, even surface

It is recommended that two people handle and assemble the item

CARE & MAINTENANCE: To enjoy your furniture for many years please follow our recommendations below:

This product is manufactured in pine which is a wood with natural characteristics including knots, grains, clusters or indentations

On unpacking the item you may notice an odour due to the production process. However, this will disappear after a period of time.

Do not place the item next to a radiator or direct sunlight – this item is manufactured in pine but is susceptible to temperature change. It is recommended an even room temperature be maintained with no sudden fluctuations.

Do not place hot or cold items directly onto the surface of the item – always use a placemat or marking will occur

For general cleaning use a duster or damp cloth (almost dry) not wet – do not use soap and water, detergents, aerosol sprays or any polish. The use of these materials would invalidate any claims.

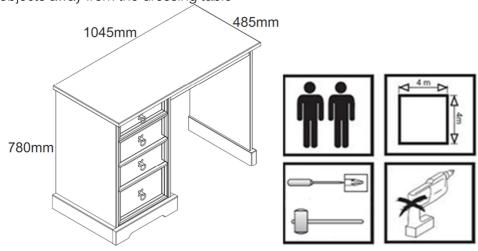

You may wish to retreat the surface to maintain the original finish – this can be done using block wax (unperfumed). Please follow the manufacturer's instructions carefully

Do not place the item onto wet or damp flooring as staining may occur to the floor

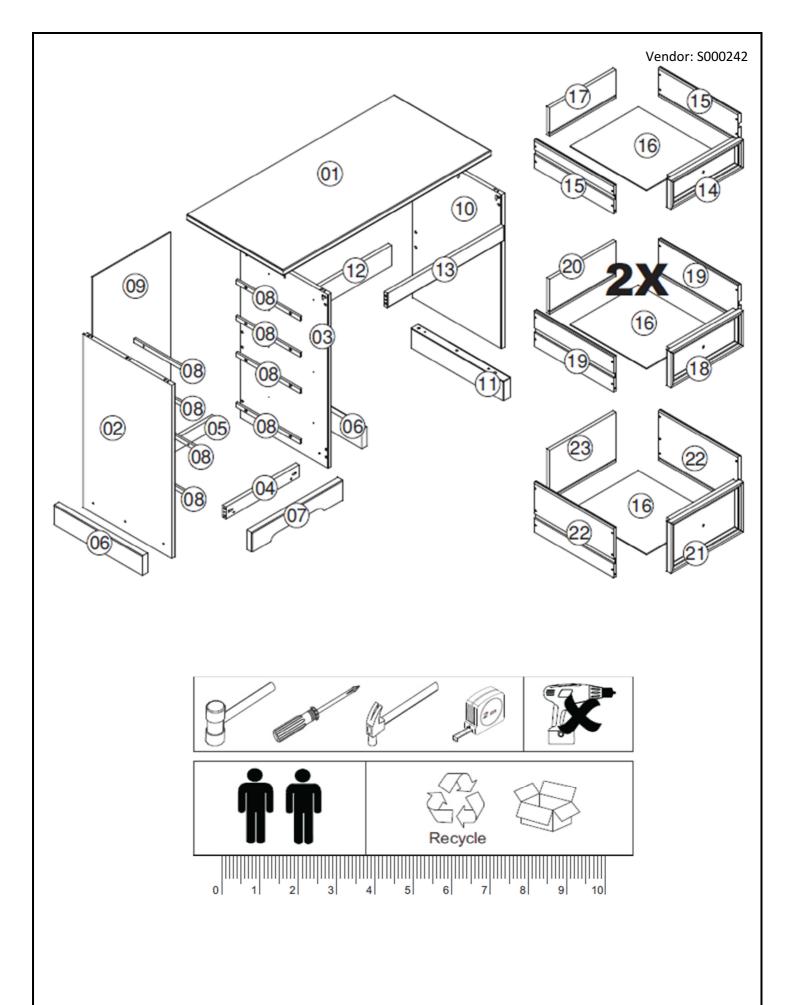

Periodically check all screws & fixings to ensure they are secure

DO NOT push the dressing table as this will damage the base

Keep any sharp objects away from the dressing table
